Answer Key for Class 5 English Question Paper: Ice-cream Man

Descriptive Questions: (6 Questions)

1. Describe the scene when the Ice-cream Man comes down the street. What makes it a joyful sight for children?

Answer: The scene of the Ice-cream Man coming down the street during the hot summer is filled with excitement and anticipation. As he trundles along with his little cart, the cheerful sounds and sights make it a joyful experience for children. The bright colors of his cart and the promise of cold treats are inviting. The sight of children gathering around him, eager for their favorite ice creams, creates a vibrant and happy atmosphere. The contrast of the hot weather outside and the cool, delightful ice cream he offers adds to the joy of the moment.

2. How does the poem illustrate the excitement of children when they see the Ice-cream Man? Provide examples from the text.

Answer: The poem captures children's excitement through vivid imagery and comparisons. The phrase "cluster round as thick as honeybees" illustrates how children swarm around the Ice-cream Man, showcasing their eagerness and enthusiasm. The mention of "joyful sight" highlights their happiness and anticipation when they see him. Additionally, the way the Ice-cream Man fills cones with "mounds of cooling brown and white" emphasizes not only the deliciousness of the ice cream but also the children's delighted reactions to the variety of flavors available.

3. What are the different flavours of ice cream mentioned in the poem? How do they contribute to the imagery in the poem?

Answer: The poem mentions several flavors of ice cream, including vanilla, chocolate, and strawberry. These flavors contribute to the imagery by appealing to the senses; they evoke visual images of creamy textures and fresh colors. Describing the ice cream in terms of "mounds" also creates a picture of abundance and richness, stimulating the reader's taste buds. The diversity of flavors makes the scene vibrant and enticing, enhancing the overall joyful mood of the poem.

4. Explain the significance of the phrase "his cart might be a flower bed" in the context of the poem.

Answer: The phrase "his cart might be a flower bed" signifies the colorful and appealing nature of the Ice-cream Man's offerings. Just as a flower bed is bright and vibrant, filled with various hues, the Ice-cream Man's cart is portrayed as a source of joy and beauty, attracting children to it. This comparison also highlights the variety of flavors, akin to different flowers, and emphasizes the delightful experience of choosing an ice cream, making it not just a treat but a visual pleasure as well.

5. In your opinion, why do you think ice cream is especially popular during the summer? Provide reasons based on your understanding.

Answer: Ice cream is particularly popular during the summer due to the hot weather, where people seek refreshing and cooling treats to help beat the heat. Its cold temperature offers instant relief from sweltering conditions, making it a cherished indulgence. The bright sunny days and outdoor activities during summer also create an ideal environment for enjoying ice cream. Additionally, summer vacations often bring families and friends together, and sharing ice cream becomes a joyful social experience.

6. Write a short paragraph on how different countries have unique ice cream flavours and describe one flavour you like the most.

Answer: Different countries around the world celebrate their culinary traditions through unique ice cream flavors. For instance, Italy offers gelato with flavors like tiramisu and pistachio, while India serves kulfi, which is often flavored with cardamom and saffron. Japan has matcha ice cream made from green tea powder for a distinct taste. Among these, my favorite flavor is pistachio. Its creamy texture combined with the nutty crunch makes it a delightful treat. The rich green color and subtle sweetness provide a refreshing contrast to other more common flavors.
